# WHY WORK WITH US

UNITED COLLEGE LONDON

Working with us  
is just so much more  
than a partnership.

We offer you exactly  
what you are looking for :

## **A strong reputation.**

for excellence with agents, clients and businesses.

## **A wide range of courses.**

They appeal to clients from many different sectors and with a wide range of needs and budgets.

## **Financial reward.**

The financial benefit of working with us is excellent and by sending clients to us you will gain as they come back again and again.

## **Honesty and loyalty.**

We will always pay you for course extensions and upgrades. If we know a client has come back and booked direct we will also pay you commission for two years from their original course start date.

# FINANCIAL BENEFITS

Most of our agents have been in partnership with us for many years. We offer different and easy to get financial benefits according to your performance. We are always willing to agree targets that will result in increased payments so that we will both be pleased, because after all.

## Your success is our success

We know that you are in business and need to make a good profit, so we offer extra support and help for all those reputable agents - partners who work hardest on our behalf. Our rewarding financial benefits will strengthen our partnership.

# FREE PLACES
